

Minutes for ALA Dreiser Society Business Meeting  
Boston, Saturday, 28 May 2011, 3:30 pm

1. Meeting called to order
2. Panel Topics selected for ALA 2012  
As vice president Gary Totten will organize panels on the following two topics:  
Dreiser and Other Writers and Socio-Economic Class.
3. Roark Mulligan provided a Treasurer's report. After paying \$847.50 for Volume 5 of SAN, the society has a balance of 2383.29. The society has 55 members who paid dues during the 2010-2011 year—the total membership decreased because non-paying members were moved to a listserv-only status. They will continue to receive electronic communications, but not the printed journal.
4. The meeting ended with a brief discussion of the society elections that will occur next year at the ALA meeting in San Francisco.
